FunTeam Alberta, and _____ (name of FunTeam Group/Association/Cohort collectively the "Organization") require the disclosure of exposure to illness in order to safeguard the health and safety of all participants and limit the further outbreak of COVID-19. This Declaration of Compliance must be returned to the FunTeam Group/Association/Cohort's league as well as FunTeam Alberta within two weeks of the start of activities and will not be disclosed unless as required by law or with your consent.

Individuals (or the individual's parent/guardian, if the individual is younger than 18 years old) who are unable to agree to the terms outlined in this document are not permitted to enter the Organization's facilities or participate in the Organization's activities, programs, or services.

I, the undersigned being the Authorized Group Representative above, hereby acknowledge and agree to the terms outlined in this document:

1. The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization and COVID-19 is extremely contagious. The Organization has put in place preventative measures to reduce the spread of COVID-19 and requires all individuals (or their parent/guardian, when applicable) to adhere to the compliance standards described in the FunTeam Alberta Return to Play Document.
2. Ensure a Compliance Form (this form) is filled out on behalf of the team/cohort and filed with their league/association and FunTeam Alberta within two weeks of commencement of team/cohort activity. Failure to do so will result in Insurance being withdrawn from the team/cohort.
3. Our organization has educated all participants, coaches, parents, officials, and all other volunteers we will be working with of the Return to Play protocols prior to any FunTeam activities occurring.
4. Ensure each registered member (including all associated adult volunteers) with the team/cohort fills out the Informed Consent Form prior to starting on-field. These documents will be held in their possession for the season and then filed with the team at the conclusion of activity for 2020 to be secured for the next seven years. These must be available to be produced upon demand from their league/association or FunTeam Alberta.
5. Ensure that Membership/Insurance is acquired and paid from FunTeam Alberta within two weeks of the start of activity for their team/cohort and that registration is completed as well.
6. Screen each participant each day with the Screening Checklist and take appropriate action if anyone answers "Yes" to any of the questions.
7. Non compliance to these guidelines can lead to:
 - a. Removal from the facility in which you are conducting group activities at.
 - b. Bylaw fines
 - c. Provincial health order to cease activity

- d. Disciplinary action or possible suspension from FunTeam Alberta.

Association Responsibilities:

- Each FunTeam Group will ensure the following all participants and their parents/guardians are fully aware of the General Safety Guidelines listed below.

GENERAL SAFETY GUIDELINES:

Regardless of when your team/cohort begins activity the FunTeam Group must ensure:

- Prior to practice each FunTeam group or Team associated with the FunTeam group (using an assigned individual) will do a roll call of participants to apply the Screening Checklist. If there is any doubt to whether any participant may be sick, they must then follow AHS protocols.
- All coaches will attempt as much as possible to keep Physically Distant (2M) from the participants and fellow adults during any team/cohort gathering. Team huddles and group gatherings will be as limited as possible and spread 2M apart when possible.
- As a rule, all adult personnel on the sidelines/benches that will possibly have close contact with the athletes (i.e. coaches, assistant coaches, equipment manager) will wear PPE's.
- Carpooling to practices/team events will be discouraged but family cohorts will be on their own to monitor their behavior in this circumstance.
- Spectators (excluding parents and guardians where necessary for player support) will be kept out of participant spaces (e.g., fields of play, sidelines). **No spectators/parents will be allowed at practice unless the facility can allow for proper Physical Distancing in seating or areas away from the field of play or sidelines.**
 - The maximum number of spectators is determined by how many people the space can hold while keeping two meters of distance between attendees from different households/cohort families, up to a maximum of 100 persons.
 - Unless from the same household, spectators should maintain a minimum two-meter distance from one another at all times, whether the activity is indoor or outdoor. It is strongly recommended that all spectators wear masks. Cheering and yelling is strongly discouraged at this time as it presents a high risk of spreading droplets and no gathering of spectators will be allowed at practice sessions.
- There will be no team water stations or shared water bottles. Players will be 100% responsible for their hydration needs.
- **Anyone found on in any club to have a positive test for COVID – 19** and have been exposed to the remainder of the participants in that club will cause **the club to immediately be shut down** and everyone who could have potentially been exposed required to arrange for a test. Only those who receive a negative result will be allowed to return and there will be no club activity until over 10 players per "team" are deemed to have tested negative.

This document will remain in effect until the Organization, per the direction of the provincial government and provincial health officials, determines that the acknowledgements in this Declaration of Compliance are no longer required.
